Summer Camps 2011

Day Camps

These camps are action packed full of outdoor fun and learning. Campers are taught kayaking skills and rescues on Cusheon Lake, then move to the ocean later on in the week. They learn climbing techniques at the indoor gym and then head outdoors to climb on Mt Maxwell. Swimming, hiking, outdoor initiative games, intertidal walks and camping skills are just some of the activities in these camps. The five day camp culminates in an overnight expedition at Ruckle Park while both camps paddle out to Chocolate Beach!

5-day, Day Camp ages 9-12(overnight at Ruckle): July 25 - 29 \$490 + HST
4-day, Overnight Camp ages 11-14: August 3 - 6 \$495 + HST

Overnight Marine Based

The emphasis of this program is on ocean kayaking and wilderness camping. Whether complete novices or seasoned paddlers, the marine camp is designed to introduce or enhance individual knowledge of kayak strokes and rescues. After two days of training on Salt Spring and camping at Ruckle Park, the group embarks on a 5 day Kayak Expedition in the Gulf Islands. This year we will utilize the northern Gulf Islands and access Blackberry Point on Valdez, Pirates Cove on De Courcy plus Dionisio and Wallace Islands. (Options to camp on Prevost & Cabbage Island if weather permits.)

July 16-21 & August 14-19 \$750 + HST

Overnight Mountaineering Camp

Two days of training, camping and climbing on Salt Spring and then we head over to Mt. Arrowsmith on Vancouver Island. This is the third highest peak on the Island and offers breath taking scenery, good climbing and a quick ascent up into the high alpine. We climb two peaks during the week, each day returning to our base camp below the saddle of Mt. Koklee. Highlights include boot skiing, spectacular sunsets, and swimming in the glacier lake which may even have an iceberg in it!

July 10-15 \$750 + HST

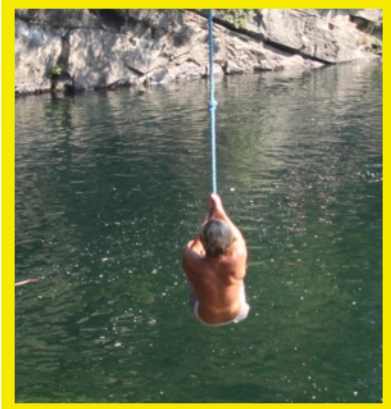

West Coast Surf Camp

Our talented team works with veteran surfer/instructor Marc Fuller of “Deep Snow & Surf”. This program is a perfect mix of surfing & lessons, camping, hiking and a whole lot of West Coast fun. All surf gear is provided and our base at the Ucluelet campground offers nice amenities, including a hot tub. We surf several beaches around the Tofino/Pacific Rim region culminating with a surf competition & a day of Surf Olympics. This one week program can be combined with the August Marine Kayaking camp for the 2 Week Surf & Kayak Program on Aug. 8-19. For ages 12-18

August 8-13 \$875 + HST

Two Week Kayak and Surf Camp

This program is an excellent combination of kayaking in the Gulf Islands with a Pacific Rim Surfing excursion. Students are taught by seasoned instructors and are provided with all the necessary equipment. Base skills are learned prior to going out on both expeditions with two days of training on Salt Spring in both weeks. We will head out into the Northern Gulf Islands, for the kayak expedition and to Ucluelet on the west coast of Vancouver Island for the surf program. Campers gain a solid outdoor skill base while building a strong appreciation for west coast water based activities. Safety, skill acquisition, friendship, team building and most of all fun are the goals for this two week program. For ages 12-18

August 8 - 19 \$1675 + HST

Overnight West Coast Experience

This is the ultimate wilderness adventure program, a combination of both our Marine and Mountain Camps. Students will acquire a broad base of skills in kayaking, ocean navigation, mountaineering, climbing and survival skills. Participants achieve a high level of competence in many activities. The program is diverse, challenging and exhilarating.

July 10 - 21 \$1575 + HST
